

4th Annual Toast to Pink gives back to breast cancer research

The local commercial real estate community is giving back to Susan G. Komen Kansas City once again with its fourth annual Toast to Pink networking event.

Over the years, event organizers and sponsors have raised \$40,000 for the organization to support breast cancer research. This year, the event is set to donate more than \$20,000 to the local chapter. While a quarter of these funds will go to national research, about 75 percent of those funds will go toward local research efforts in Kansas City.

Network with other industry professionals at the Toast to Pink happy hour at Valencia Place on the Plaza, 444 West 47th St., on September 2nd from 5 to 7 p.m. McCormick and Schmick's will serve donated hors d'oeuvres while Helzberg will donate a cultured pearl necklace to the first 100 attendees. Attendees will also receive one free ticket to the Junior League Holiday Mart.

Sponsors include Kessinger Hunter, Spencer Fane, Waterford Property Company, Kevin K. Nunnink Foundation, LANE4 Property Group, Legacy Development, Curry Real Estate Company, Colliers International, Corporate Woods, AL Huber, VanTrust Real Estate, R.H. Johnson Company, and Gastinger Walker Harden Bee Triplett Buck.

Tickets are \$25 per person. For more information on sponsorship opportunities or to register to attend:
