

BEST COMMERCIAL REALTOR/FIRM

The places change, but in the hearts and minds of *Ingram's* readers, three companies lead the pack in commercial realty, year after year. When the music stopped this time around, **Kessinger/Hunter and Co.** was sitting in the **Gold** seat. Tracing its roots to 1879, K/H oversees \$2 billion in real estate assets today. Block is a name long associated with real estate in Kansas City, and the company that evolved into **Block Real Estate Services** continues the legacy with this year's **Silver**. Another long-time player in this game is **Zimmer Real Estate Services**, winner of the **Bronze**.
